Local News

Capital District NY: On Sat. Sept. 12 Socialist Party-Green Party candidate for President Howie Hawkins spoke at a rally in Townsend Park in Albany. The event was co-sponsored by CDSP, UHGP, and Socialist Alternative-Schenectady. Speakers from each of the co-sponsors spoke, as did other Green Party candidates in other local races. The crowd was very enthusiastic and Howie's speech was very well received. He addressed the wide range of issues the campaign is running on, and highlighted the important systemic interaction and feedback between all of these issues. Howie also emphasized how multiple crises are now converging and that it is imperative for the working class to break out of the trap of the bourgeoisie's political duopoly.

Northern NJ: The Northern New Jersey Local welcomed Howie Hawkins to North Jersey on October 2nd and 3rd at a fundraiser at Cde Diane Moxley's house in Garwood and then at a Left Unity gathering in Montclair's Glenfield Park.

All events were organized with the NJ Hawkins/Walker Committee and Green Party of NJ.
