2021 Elections - Socialists Elected!

The Socialist Party had a limited number of candidates on the ballot in 2021, but the night did come with some victories.

Pat Noble- Red Bank Regional High School District Board of Education.

Pat Noble was re-elected to the Red Bank Bank Regional High School District Board of Education. Pat was first elected when he was 19 years old in 2013. This one was a close one. Pat ran unopposed!

Samantha "Sam" Pree-Stinson Elected to the Minneapolis Board of Estimate and Taxation

Socialist Part of Twin Cities Metro member Samantha Pree-Stinson was elected to the Minneapolis Board of Estimate and Taxation on November 2, 2021.

paralysis. People are hurting and how we direct funding though levy and handle our bonding process will determine just how much progress we can make to dismantle the systemic harms inherited.

I am a proud Northeaster in Minneapolis, a Black Chicana veteran who organized around economic justice. We will now have 2 Black elected officials in Ward 1.

Like I said 2 years ago, economic justice is absolutely part of safety. Let's invest in ourselves Minneapolis. I'm ready to represent us with integrity to come January and take this board seat to the next level.

Congratulations to Steve Brandt, I look forward to getting to know you and work with you. Thank you Pine for running with a strong and clear platform.

With revolutionary respect and gratitude,

Sam
